Dodge County Sheriff's Office Reports
Injury Crash

On June 24, 2014 at 6:51 AM, the Dodge County Sheriff's Office responded to an injury crash on STH 33 west of Sunset Road in the Town of Oak Grove. Investigation showed a west bound vehicle driven by a 19 year old female from Mayville, crossed the center line and side swiped an east bound vehicle. The east bound vehicle was driven by a 27 year old female from Beaver Dam who was uninjured. The west bound vehicle then struck another east bound vehicle which was driven by a 31 year old male from Beaver Dam. This collision was nearly a head on and severely damaged both vehicles. Both drivers were injured and pinned in their vehicles and were transported to Beaver Dam Community Hospital after being extracted. The male was later transferred to UW Hospital in Madison by Flight for Life.

The Sheriff's Office was assisted by Juneau EMS and Fire, Beaver Dam EMS, Horicon Fire Department, Dodge County Highway Department, Flight for Life, and DCERT.

Inattentive driving is believed to be a contributing factor. Weather conditions were dense fog at the time of the crash. The crash is being investigated by the Sheriff's Office Crash Investigation Team.
