RULES OF ORDER GOVERNING THE COUNTY BOARD OF SUPERVISORS OF DODGE COUNTY, WI

1. The Chairman of the Dodge County Board of Supervisors shall preside over all meetings of the Board, and is authorized to resolve disputes between standing committees. In the absence of the Chairman, the First Vice Chairman shall preside, and in the absence of the Chairman and the First Vice Chairman, the Second Vice Chairman shall preside. In the absence of the Chairman, the First Vice Chairman and the Second Vice Chairman, the County Clerk shall call the meeting to order and the Board shall elect a member of the body to occupy the chair and preside over the meeting. Members of the Executive Committee of the Board are authorized to attend the Annual Convention of the Wisconsin Counties Association at County expense. Attendance at such convention by other County Supervisors shall be at County expense only if the Executive Committee determines that such attendance shall be to the benefit of Dodge County. Attendance at any seminar sponsored by the WCA shall be at county expense only if the Executive Committee or the County Board Chairman determines that such attendance shall be to the benefit of Dodge County. Dodge County will not pay any amount for out of state travel expenses for anyone unless approved by the Executive Committee.

2. A majority of the supervisors entitled to a seat on the Board shall constitute a quorum. All questions shall be determined by a majority of the supervisors present unless otherwise provided.

3. Whenever a meeting of the Dodge County Board of Supervisors is to be held in a certain month, it shall be held on the third Tuesday of said month at 7:30 P.M., unless the County Board shall designate another date for

the meeting, and, except if necessary to avoid a conflict with the primary election, the February Meeting shall be held on a date to be determined by the County Board Chairman at 7:30 P.M., and the Organizational Session shall be held on the third Tuesday in April, at 9:00 A.M., and the Annual Budget Meeting shall be held on the Tuesday after the second Monday of November at 9:00 A.M. When the day of the Annual Budget meeting falls on November 11th, the Annual Budget Meeting shall be held on the next succeeding day. The order of business to be followed at the meetings of the Dodge County Board of Supervisors shall be as follows: (1) Call to Order by the Chair. (2) Roll Call by the County Clerk. (3) Approval of the Minutes of the last meeting. (4) Communications on file with the Board. (5) Resolutions. (6) Bills on file to be acted upon. (7) Reports on file. (8) Ordinances. (9) Petitions. (10) Old Business. (11) New Business. (12) Adjournment.

4. Except in emergency situations, at least seven (7) days prior to each County Board Meeting, the Chairman or Vice Chairman of each committee of the County Board shall file with the County Clerk all Resolutions and Ordinances to be brought before the County Board by the respective committee. This rule shall also apply to any other business the committee, or any individual supervisor, wishes to bring before the Board at any meeting.

5. The County Clerk shall compile an agenda for each meeting of the County Board of Supervisors. Whenever possible the County Clerk shall mail or cause to be delivered to each Board Member, a copy of such agenda. This agenda, and a copy of each Resolution, Ordinance, and any other pertinent material, shall be mailed or delivered whenever possible by the Clerk to each Board Member by the Friday prior to the Board Meeting. The County Clerk may, by not later than 24 hours prior to a scheduled meeting of the Dodge County Board of Supervisors, add items to an original meeting agenda or to

an amended meeting agenda, and shall comply with all notice provisions of the Open Meeting Law of the State of Wisconsin. If the County Clerk, on the day that the agenda for a particular County Board Session is to be mailed, determines that there is insufficient business to warrant holding such session, he/she will immediately confer with the County Board Chairman. If it is agreed that the session should not be held, the Clerk will immediately notify each Board Member of such decision.

6. Only such business as appears on the agenda or on an amended agenda shall be considered by the Board at that meeting and all other business shall be out of order.

7. All meetings of the Dodge County Board of Supervisors, and all meetings of any committee of the Board, shall be held in accordance with the Open Meeting Law of the State of Wisconsin.

8. All memorials, resolutions and ordinances that are to be considered and acted upon by the Board at any meeting shall be presented and signed by a member of the Dodge County Board of Supervisors.

9. When the Voting System machine is operational, any member who wishes to address the Board shall first push the blue "Call-In" button located on the member's desk, and obtain the recognition of the Chairman. When the Voting System machine is not operational, any member who wishes to address the Board shall first rise from the member's seat and obtain the recognition of the Chairman. When two or more members rise at the same time, the member that the Chairman recognizes shall have the floor. No member shall be interrupted while speaking except by a call for the orders of the day.

10. Persons other than members of the Board wishing to address the body may do so with the unanimous consent of the Board. If any member objects, such non-member may be granted the privilege of addressing the body upon the

passage of a motion, properly made and seconded and passed by a two-thirds (2/3) majority of those members present.

11. All votes by the Board on any matter calling for appropriation of money from the county treasury shall be recorded in such a manner that the vote of each member of the Board can be ascertained. On all other questions that come before the Board, any member of the Board can require that the individual vote of each member be recorded. Action by a member to correct the member's vote cast in error, may only be taken prior to the next vote being taken.

12. A motion or resolution for the reconsideration of an action by the Board shall be out of order unless such motion or resolution is made or presented by a member who voted with the prevailing side of the question in the first determination, and such motion or resolution of reconsideration must be made or presented at the same or the next succeeding session of the Board.

13. Any matter on the agenda of a meeting may be laid over for examination or referred to a particular committee by the Chair without a motion from the floor.

14. If a motion before the body (or an amendment to it) contains two or more parts capable of standing as separate questions, any member may move for a division of the question in order that the body can consider each question separately.

15. No standing rule, order or resolution of the Board shall be rescinded or changed without giving one day's notice thereof to all members of the Board, however, any standing rule may be temporarily suspended by a two-thirds (2/3) vote of the members present at any legally called meeting of the Board.

16. The rules of parliamentary procedure as laid down in Robert's Rules of Order shall govern the proceedings of the Board.

17. In any case where the vote of the Board is equally divided, the question shall be lost.

18. Annual Reports of county officers, elected or appointed, shall be presented to the County Board at the February or March meeting of the Board following the calendar year for which the report is made.

19. The County Clerk, or the Chairman of a Committee of the County Board, that meets to transact business of the County, shall present a bill, certified as correct, to the County Clerk for the payment of the authorized compensation and mileage of the members attending such meetings, and the County Clerk shall draw orders on the County Treasurer for the payment of such authorized compensation and mileage, and such orders shall be paid by the Treasurer upon approval of such orders by the Audit Committee.

20. Upon the completion of the County canvass of the results of an election, the County Clerk shall draw orders on the County Treasurer for the payments of the authorized compensation and the mileage of those persons participating in the canvass.

21. The Chairman of any meeting of the Board of Supervisors may require that any motion offered by any member for consideration by the body be reduced to writing and, thus, presented to the Chair.

22. When a main motion is before the Board, no other motions shall be in order except a motion to adjourn, a motion to lay on the table, a motion for the previous question, a motion to postpone to a certain time, a motion for division of a question, a motion to correct the main motion, a motion to refer to a standing committee, a motion to refer to a special committee, or a motion to amend the main motion. These motions shall have precedence in the order arranged and the first three of the above-listed motions are not debatable. A motion to postpone to a certain time must be made to a specific date or to the next regular meeting of the County Board of Supervisors.

23. No member shall be permitted to speak more than twice or for more than five minutes at any one time on the same question, unless permission of the Board is obtained by means of a motion duly made, seconded and passed by two-thirds (2/3) majority of those members present.

24. All memorials, resolutions, reports, petitions or ordinances, other than those presented by the Finance Committee, which provide for appropriation of money from the county treasury, shall be referred to the Finance Committee for its examination and recommendations to the Board.

25. When committees are organized, a member should be elected as Secretary to be responsible for the minutes of the proceedings of each committee. Such minutes shall show the names of the members present or absent, according to the Wisconsin Open Meeting Law. Minutes may be kept by a designated individual, but must be signed by the Secretary or other committee member. Minutes shall also include the place of the committee meeting and the starting and ending times of the meeting.

26. All members of a committee shall be notified personally, by telephone or in writing, as to the date, time and location for all meetings of a committee of which they are a member. A majority of the members of a committee shall constitute a quorum and a quorum of committee members is required to be present before County Business can be transacted.

Dodge County operates six parks, providing a perfect escape to the scenic rural countryside to relax or take part in one of the many recreational activities available including camping, biking, hiking, horseback riding, canoeing, boating, cross-country skiing, snowmobiling, picnicking, family and group gatherings and viewing the breathtaking beauty of Dodge County's natural landscape. For additional Dodge County park and trail information or a brochure, contact: Dodge County Land Resources and Parks, 127 East Oak Street, Juneau WI 53039 or call (920) 386-3700 x1 or www.dodgeparks.com. The County Parks are located at various vantage points around the County providing scenery and views uniquely Dodge County.

- Astico Park** N3620 County Road TT, Columbus
- Derge Park** N8379 County Road CP, Beaver Dam
- Harnischfeger Park** W3048 Crawfish Road, Ixonia
- Ledge Park** N7403 Park Road, Horicon
- Nitschke Mounds Park** W5934 County Road E, Burnett

Astico Park consists of developed and natural areas on the historic Danville Mill Pond of the Crawfish River about 3 miles east of the City of Columbus in the southwestern part of Dodge County. The park is split by the river and now connected by the historic Ninabuck and Scofield Bridges. The main park entrance is just south of Hwy 60 at N3620 Hwy TT. The park features 70 river's edge and upland campsites including new riverside campsites with 50 amp service available, Astico Castle Playground, a restroom/shower facility, a dump station, picnic areas and

shelters, shoreline and wooded hiking trails, large open play fields and an expansive river shoreline which provides good canoeing and fishing opportunities in a scenic setting. Camping in winter is subject to site accessibility.

Derge Park located 5 minutes northwest of the City of Beaver Dam, on the west-central shore of Beaver Dam Lake. The 6,600 acre lake provides excellent fishing and is popular for sailing, speed boating, and water skiing. Besides providing access to Beaver Dam Lake with a boat launch, piers and over 500 feet of shoreline, Derge Park contains 25 campsites with 30 amp electric hookups and asphalt pads, picnic shelters, a shower/restroom building and a dump station. Derge Park is an excellent place to hold group campouts and picnics, family reunions and other group events and an ideal location for hunters and fishermen seeking access to Beaver Dam Lake. A system of paved pathways makes Derge Park facilities handicap accessible. Derge Park is also a favorite destination of those looking for a more peaceful camping experience.

Formerly a private park, **Harnischfeger County Park** is now open to the public and is the largest Dodge County Park. The park is located along the Rock River in the Town of Lebanon about one mile west of the unincorporated community of Ashippun and eight miles east of Watertown. A variety of terrain, vegetation and facilities provide park visitors with a multitude of recreational opportunities in a scenic setting. The clubhouse and two open pavilions offer excellent places to hold group functions, such as family reunions, company picnics, graduation parties and weddings. Camping is available with nine sites and a group site. Active and passive recreation abound with a few miles of hiking, horseback riding and cross-country skiing trails, fishing areas, minigolf course, disc golf course, volleyball courts, basketball court, horseshoe pits, baseball field, playgrounds and a canoe launch with canoe and kayak rentals available. The park is open year round with limited access to some facilities in winter depending on conditions.

Ledge Park lies along the Niagara Escarpment, a natural rock ledge which divides the park into upper and lower areas and provides a breathtaking overlook of the famous Horicon Marsh and the surrounding countryside. The upper portion is heavily wooded and offers expansive

picnicking areas, group shelter, hiking trails, 46 campsites, a restroom/shower facility, a dump station and the Fort Ledge Playground. The lower portion also offers a group shelter, picnic areas, hiking trails, a wildlife pond and play equipment. The hiking trails wind along the ledge, between and over interesting and unique rock formations and through heavily wooded areas. Ledge Park is located in the north central part of Dodge County, between Horicon and Mayville, just off of Hwy TW. Ledge Park is a convenient place to stay while exploring the Horicon Marsh, the Wild Goose State Trail, the Horicon Aquatic Center or the many other attractions in Dodge County.

Nitschke Mounds Park is located near the center of Dodge County adjacent to the Wild Goose State Trail and just west of the Horicon Marsh. The property contains about 39 preserved animal effigy, conical and linear mounds believed to have been constructed around 800AD - 1100AD. The mounds represent one of the best surviving examples of the Mound Builders culture that once occupied the Dodge County area. A one mile wood chipped trail with interpretive signs is available around the mounds and through the park.

Wild Goose State Trail links the City of Juneau - "Gateway to the Wild Goose Trail" and the City of Fond du Lac. This 34 mile compacted limestone trail on an abandoned railroad grade traverses oak woodlots, fertile farm fields, prairie remnants and sparkling streams as it runs through the rural country sides of Dodge and Fond du Lac Counties and skirts the western edge of the internationally known Horicon Marsh National Wildlife Refuge. Wildlife, scenery and level surface provide safe, easy and enjoyable biking and hiking for all ages. Parking and trail access available at the southern trail head at Hwy 60 and the northern trail head on Rolling Meadows Drive in Fond du Lac and numerous points between. County and private campgrounds located nearby. A separate horse trail tread runs from Hwy 60. The trail can be opened for snowmobile and ATV use in winter.
