Property owner's statement:

The undersigned hereby makes application for a permit to close a manure storage facility on the property herein described. The work to be performed is described in the attached plan. The undersigned agrees that all such work shall comply with waste storage facility closure standards outlined in the NRCS Technical Guide, with the requirements of the Dodge County Manure storage and Nutrient Utilization Ordinance, and the laws and regulations of the State of Wisconsin. The undersigned has obtained all other necessary village, city, town, county, state or federal permit as required by law.

The undersigned also agrees to certify in writing, upon closure of the facility, that the facility was closed as planned. Deviations from that original plan must be reviewed and approved by the Land Conservation Department. The undersigned must give three (3) working days notice to the Land Conservation Department prior to starting any construction work on this project.
