

BABY THERESA DEATH INVESTIGATION

MEDIA RELEASE UPDATE 5-6-09

Dodge County Sheriff Department has identified a vehicle of interest that was seen in the area where a deceased newborn baby was found in a garbage bag on April 29, 2009 near Lone Road in the Town of Theresa.

The vehicle of interest is a Dodge Shadow, possibly a 1993, metallic blue in color with a black hood. Two persons were seen in this vehicle. The witness who saw the vehicle worked with Dodge County forensic sketch artist, Hannah Mueller to compile a sketch composite of the driver. It is unknown if the driver, represented in this sketch, is a male or female.

Lead investigator, Det. Vickie Brugger asks for the public's assistance in identifying this vehicle and occupants stating, "The persons in the vehicle are of interest because they were in the area of where the baby was found and none of the local residents were familiar with the vehicle. The occupants in the vehicle could provide leads in the investigation and help identify the mother of Baby Theresa."

Anyone with information on the identity of this vehicle or driver are asked to contact the Dodge County Sheriff Department at 920-386-3726, Det. Vickie Brugger at 920-386-3715, or WeTip at 1-800-78-CRIME.
